Project assignment - frontend coder

Assignment

- Creating a presentation website from a bootstrap template (see Supporting documents).
  - Creating index.html as main page
  - Template linking (css, fonts, img, js)
  - Uploading the logo (see Documentation)
  - Implementing colour (see Colours)
  - Use the template on the following sections:
    - What sectors are we investing in?
      - Energy
        - Hexagon Energy - https://www.hexagon-energy.cz/
        - Electricity and gas have been addressed in recent months by almost every
          company. What is the best way to deal with the current situation? What
          a contract is better to make nowadays? Is a fixed contract more profitable
          price or spot purchase?
      - Photovoltaics and heat pumps
        - Hexagon Technology - https://www.hexagon-technology.cz/
        - We implement photovoltaic power plants, both small and large. We will go through all your options with you and provide accurate information for a successful solution.
    - Where do we operate everywhere?
      - Education
        - ForClassmates - https://www.forclassmates.online/
        - We are a company that has been changing the way maths and chemistry is taught since 2015 in a completely unique way using our own know-how, which we created ourselves as students.
      - Trademarks
        - MoniMark - https://www.monimark.eu/
        - Trademarks are our hobby! We offer a full service in the field of trademarks, including registrations and monitoring. We protect your business!
      - Subsidies
        - Worry-Free Subsidies - https://www.dotacebezstarosti.cz/

- We are a team of people with many years of experience who will help you find a suitable grant program, process the application and with the subsequent administration.
- Public procurement
  - Procurio - https://www.procurio.cz/
  - We strive to help small contracting authorities in particular to navigate public investment, always to the extent that suits the specific entity.
- Digital Agency
  - Royal Fox - https://www.royal-fox.cz/
  - Royal Fox is a leading digital agency based in Hradec Králové. We create web and mobile applications for internal purposes, but we are happy to help you too.
  - Ensure responsiveness of the website
- Upload to github and share: **LukeKing71**

Colours

- Dark purple: #511b5a
- Light purple: #a7439a
